Northeastern Section
American Chemical Society

FROM: Anthony L. Rosner, Ph.D.
Auditor, Northeastern Section
American Chemical Society

RE: 2012 Audit Report

DATE: January 4, 2013

On January 4, 2013, I examined the accounts and ledgers of the Treasurer of the Northeastern Section of the American Chemical Society. I have found these documents to be generally satisfactory and essentially in line with general accounting practices.

The audit covers the period from January 1, 2012 through December 31, 2012.
