

## 2013 Northeast Region, ACS Award for Achievements in the Chemical Sciences

Now accepting nominations for the 2013 award

### GUIDELINES

#### About this award:

The Northeast Region established this award in 2008 to recognize notably outstanding achievements by a chemist in the Northeast Region. The award is conferred annually on a chemist who has made commendable research contributions leading to the advancement of pure or applied chemistry. Nominated work must have been at least partially carried out in an industry or academic location within the Northeast Region, during a period of residence in the area encompassing the Local Sections that comprise the Northeast Region. A nominee must also be an ACS member and currently reside in the Region.

#### Nominating Package:

The Nomination Package should include a nominating letter from the primary nominator highlighting the significant contributions of the candidate and include:

- **The completed nomination form**
- **A documented synopsis of the accomplishments of the nominee**
- **An all-inclusive patent summary, curriculum vitae and/or publication list**
- **A brief personal biography**
- **Two additional supporting letters containing information about the candidate not provided in the nominating document**

#### The Award

The award will be presented at the 2013 Northeast Regional Meeting in New Haven, Connecticut – October 23rd through 26th, 2013.

All expenses associated with attending the Northeast Regional Meeting will be covered.

The award winner is expected to give an award address at this meeting and attend the awards banquet.
