

Northeastern Section of the American Chemical Society Process Chemistry Symposium

Date: Friday, October 19, 2018
Location: Novartis Institutes for BioMedical Research
250 Massachusetts Avenue, Building 600A
Cambridge, MA

Speakers: **Frances H. Arnold**, California Institute of Technology
Alan Cherney, Amgen, Inc.
Christian Harrison, Vertex Pharmaceuticals Incorporated
Kami L. Hull, University of Texas, Austin
Robert Knowles, Princeton University
Theodore Martinot, Merck & Co.
Eric Meggers, Philipps University Marburg
Scott Plummer, Novartis Institutes for BioMedical Research

Agenda:

8:00 AM	Registration and continental breakfast
8:30 AM	Morning session
12:00 PM	Lunch
1:15 PM	Afternoon session
5:00 PM	Reception

- Join us for a day-long symposium focused on process chemistry and featuring speakers from industry and academia. There will be opportunities to network with members of the local chemistry community during lunch and a late afternoon reception.
- Seating is limited, and registrations will be allotted on a first-come, first-served basis.
- Register at <http://acssymposium.com/NESACS/registration.html>
- All attendees must bring a photo ID to be admitted to the event.
- Registration fees: Standard \$50; Student/post-doc \$25 – includes continental breakfast, lunch, and reception. PayPal questions: please contact the NESACS administrative coordinator, Anna Singer, at secretary@nesacs.org (preferred) or at (781) 272-1966. Please note the office is open on a part-time basis.
